F-10819/20

As the 1/2 and 1 Gulden provisional notes executed on the above order are classified, as "Scrip Certificates", specimens were furnished to the Broad St. Specimen Room and proofs were, of course, not furnished for our Bank Note proof record book..

However, we feel we should have something in the proof record book and since proofs are not available, since these were lithographed on stock tints, we would thank you to have specimens mounted on the special pages to fit the proof books and have them sent to Miss Roser. A single specimen of each value might be tipped onto the pages so that both face and back could be examined but we feel it would be preferable to solidly mount two specimens of each value, one face up and the other back up, to be more in keeping with the usual arrangement of proofs.

GOVERNMENT OF SURINAME
SCRIP CERTIFICATES

Yesterday afternoon I called at the Consulate of the Netherlands and discussed with Mr. Crommelin, the Commercial Attaché, the matter of a reprint order for 1/2 and 1 Gulden Scrip certificates for the Government of Suriname.

Mr. Crommelin translated to me verbally the details contained in a letter which the Consulate had received from the Government of Suriname relative to a reprint order, but with certain additions regarding numbering, date and signatures.

Details of the proposed order

300,000 - 1/2 Gulden Certificates; six series, namely: rr - ss - tt - uu - ww and zz; letters to be in lower-case; double numbering on face in the upper right and left hand corners of the certificates; numbered 00001 to 50000 for each series.

500,000 - 1 Gulden Certificates; ten series, "L" to "U" inclusive; letters to be in upper-case. Double numbering on the face in the upper right and left hand corners; Nos. 00001 - 50,000.

All certificates to carry the date "30 April 1942" and two signatures in facsimile on the face. Signatures for the facsimiles on the face attached hereto.

Mr. Crommelin handed me a 1/2 Gulden and a 1 Gulden certificate as specimens for the date and signatures. These certificates are to be returned to the Consulate of the Netherlands when they have served our purpose. *

We are requested to furnish, as soon as possible, our price, terms of payment and promise of delivery, in a letter addressed to the Consul General.

Mr. J. A. Schurman,
Consul General of the Netherlands,
10 Rockefeller Plaza,
New York City, N.Y.

Dear Sir:

*see memo
3/20*

We refer to the conversation the writer had the pleasure of having with your Mr. H. Crommelin on the 19th instant with regard to your Government's inquiry for prices and promise of delivery for a supply of silver certificates.

For furnishing 800,000 silver certificates, divided among two denominations as follows:

300,000 certificates of 1/2 Gulden
500,000 certificates of 1 Gulden

6/18/40

the same in every respect as those we prepared and furnished in June 1940, with the exception that the certificates of the new issue will now carry double numbering on the face, the date "30 April 1942", and two signatures in facsimile, specimens of which were handed to us; and the certificates to be printed on the best bank note paper available; delivered cut single and packed for export in metal lined wooden cases, our price is.....\$10,000.00 U.S. Currency, F.O.B. New York.

Mr. J.A.Schurman
Consul General of the Netherlands

-2-

March 24, 1942.

If this order is placed with us it is our understanding that there will be six series for the 1/2 Gulden certificates, with the serial letters rr - ss - tt - uu - ww and zz, in lower-case, and for the One Gulden notes 10 series, namely serial letters "L" to "U" inclusive, in upper-case.

If the order is placed with us in the course of the next few days we could have the initial lot of certificates ready for shipment in about eight weeks after receipt of the order, and complete the same in four to five weeks thereafter.

In regard to the payment, if we are honored with the order we would appreciate your arranging with your Government for the opening of an irrevocable letter of credit in our favor, with a New York Bank, to cover the printing price plus the shipping expenses and war risk insurance, and to provide payment to us upon presentation of our invoices when the notes are ready for shipment or, in the event that transportation is not available, upon our notification that the certificates are ready for shipment.

It is understood that any order placed with us is subject to strikes, accidents, force majeure, war risks and other causes beyond our control.

We are returning to you herewith the 1/2 Gulden and 1 Gulden Certificates handed to us by your Mr. Crommelin.

Trusting our prices and promise of delivery will meet with the acceptance of your Government, we are,

Sir,

Yours very truly,

March 27, 1942.

Mr. J.A. Schurman,
Consul General of the Netherlands,
10 Rockefeller Plaza,
New York City, N.Y.

Dear Sir:-

In line with our conversation of this morning with your Mr. H. Crommelin, we are entering your valued order for 300,000 Certificates of 1/2 Gulden and 500,000 Certificates of 1 Gulden for the Government of Suriname in accordance with our letter of March 24th.

In going over our records we find that according to the instructions given us there will be a duplication of series letters and we therefore bring this matter to your attention with the request that you please obtain further instructions from Paramaribo without delay so as not to retard the execution of this order.

On the order given us in your letter of June 6th, 1940 the series were "tt" and "vv" for the 1/2 Gulden denomination and "R" and "S" for the 1 Gulden notes. Subsequently you placed with us a second order, as per your letter of June 18, 1940, the series of which are not material to the present subject and now the order given us calls for a duplication of series "tt" as regards the 1/2 Gulden notes and series "R" and "S" in the case of the 1 Gulden notes. Inasmuch as the numbering in each series run from 00001 to 50000 the duplication of series letters would undoubtedly cause confusion and as the duplication is perhaps due to an oversight the authorities will undoubtedly want to give us different instructions.

Mr. J. A. Schurman,
Consul General of the Netherlands.

March 27, 1942.

Meanwhile we are proceeding with the preliminary work as far as possible and we beg to assure you that this order is much appreciated and will have our very close attention.

Yours very truly,

Asst. Manager Foreign Department.

"Warranted that the interest insured is in good safety in port at day and hour of attachment of risk."

1. This insurance is only against the risks of capture, seizure, destruction, or damage by men of war, piracy, takings at sea, arrests, restraints and detentions, and other warlike operations and acts of kings, princes, and peoples in prosecution of hostilities or in the application of sanctions under international agreements, whether before or after declaration of war and whether by a belligerent or otherwise, including factions engaged in civil war, revolution, rebellion or insurrection, or civil strife arising therefrom, and including the risks of aerial bombardment, floating or stationary mines, and stray or derelict torpedoes; but excluding claims for delay, deterioration and/or loss of market, and warranted not to abandon (on any ground other than physical damage to ship or cargo) until after condemnation of the property insured. Also warranted not to abandon in case of blockade, and free from any claims for loss or expense in consequence of blockade or of any attempt to evade blockade; but in the event of blockade, to be at liberty to proceed to an open port and there end the voyage.
2. Warranted free from any claim based upon loss of, or frustration of, the insured voyage or adventure caused by arrests, restraints or detentions.
3. This insurance does not cover any loss or damage caused by or resulting from any of the following causes:
 - (a) Commandeering, preemption, requisition, or nationalization by the government (de facto or otherwise) of the country to or from which the goods are insured.
 - (b) Seizure or destruction under quarantine or customs regulations.
 - (c) Capture, seizure, arrest, restraint, detention, or condemnation by the Government of the United States of America, or of any State, territory, or possession thereof, or by any government which is or may become party signatory of the "United Nations Pact" promulgated on or about January 2, 1942.
4. This insurance shall not attach to the interest hereby insured or to any part thereof:
 - (a) Prior to being on board an overseas vessel (for the purpose of this clause 4 an overseas vessel shall be deemed to mean a vessel carrying the interest from one port or place to another where such voyage involves a sea passage by that vessel);
 - (b) after being discharged overseas from an overseas vessel at the final port of discharge, or
after expiry of fifteen days counting from midnight of the day on which the overseas vessel is safely anchored or moored at the final port of discharge, whichever shall first occur;
 - (c) at a port or place of transshipment to another overseas vessel after the expiry of fifteen days (counting from midnight of the day on which the overseas vessel entering with the interest is safely anchored or moored) until the interest is on board the oncarrying overseas vessel.
In the event of the exercise of any liberty granted to the Shipowner or Charterer under the contract of affreightment whereby such contract is terminated at a port or place other than the destination named therein such port or place shall be deemed the final port of discharge for the purpose of this clause 4.
5. Subject to the terms of clause 4 above and to any conditions or warranties which may be endorsed hereon, it is agreed that this insurance shall not be vitiated by deviation, overcarriage, change of voyage, or by any error or unintentional omission in the description of interest, vessel or voyage, provided the same be communicated to the WAR SHIPPING ADMINISTRATION as soon as known to the Assured and an additional premium paid if required.
6. And in case of any loss or misfortune, it shall be lawful and necessary to and for the Assured, his or their factors, servants and assigns, to sue, labor, and travel for, in and about the defense, safeguard, and recovery of the said goods and merchandises, or any part thereof without prejudice to this insurance; nor shall the acts of the Assured or Assurers, in recovering, saving, and preserving the property insured, in case of disaster, be considered a waiver or an acceptance of an abandonment; and to the charges whereof, the said Assurers will contribute according to the rate and quantity of the sum hereby insured.
7. General Average and salvage charges (resulting from a peril hereby insured against) payable according to Foreign Statement or York-Antwerp Rules if in accordance with the contract of affreightment.
8. Notwithstanding anything to the contrary contained in this Policy, it is understood and agreed:
 - (a) That no claim for freight, storage, or other expense due to the requisition or commandeering of the title or use of any vessel by or with the consent of the country whose flag she flies shall be payable under this insurance, and if as a result of such requisition or commandeering the insured cargo is discharged at a port or place other than the port or place of destination, the port or place of discharge shall be deemed a port or place of transshipment within the meaning of clause 4 (c) of this Policy.
 - (b) That if any vessel shall be ordered into or detained in any port by the United States Government or by any government which is or may become party signatory of the "United Nations Pact" and the goods hereby insured shall be discharged at such port, then, if the goods be not the subject of proceedings of the nature set forth in clause 3 (a), such port or place of discharge shall be deemed a port or place of transshipment within the meaning of clause 4 (c) of this Policy.
9. If the ordinary course of transit of the goods hereby insured is interrupted or terminated by the shipper, consignee, or assured or any party acting on their behalf, this insurance shall forthwith terminate unless otherwise specially agreed by the WAR SHIPPING ADMINISTRATION.
10. In event of loss the valuation of the goods insured hereunder shall not exceed the invoice cost, or if there be no invoice the value of the goods at time and place of shipment, plus transportation and insurance charges actually incurred with respect to the shipment, plus ten (10) percent.
11. Warranted that the goods insured hereunder have not become waterborne on overseas vessel prior to the date of this insurance.

In the event of loss which may give rise to a claim under this Policy, prompt notice should be given to the WAR SHIPPING ADMINISTRATION at Washington, D. C.

IN WITNESS WHEREOF the WAR SHIPPING ADMINISTRATION has caused this Policy to be signed by the Administrator at Washington, D. C., but this Policy shall not be valid unless countersigned by or on behalf of the Director of Wartime Insurance.

AMERICAN BANK NOTE COMPANY, on surrender of this certificate, which con-
veys the right of collecting any such loss as fully as if the property were covered by a
special policy direct to the holder hereof, and free from any liability for unpaid premiums.

Premium, \$

Under Deck shipments are insured:
Against all risks of loss or damage to the merchandise insured howsoever occurring, irrespective of percentage excepting risks excluded by the F. C. & S. (Free of Capture &
Seizure) and Strikes, Riots and Civil Commotions Warranties appearing elsewhere hereon.

While on deck of ocean vessel—
"Free of Particular Average unless caused by the vessel and/or interest insured being stranded, sunk, burnt, on fire or in collision with another ship or vessel or with
ice or with any substance other than water, but liable for jettison and/or washing overboard, irrespective of percentage."

This insurance attaches from the time the goods leave the Warehouse and/or Store at the place named in the certificate or special policy for the commencement of the
transit and continues during the ordinary course of transit, including customary transshipment if any, until the goods are discharged overseas from the vessel at the
final port. Thereafter the insurance continues whilst the goods are in transit and/or awaiting transit until delivered to final warehouse at the destination named in the certi-
ficate or special policy or until the expiry of 15 days (or 30 days if the destination to which the goods are insured is outside the limits of the port) whichever shall first occur.
The time limits referred to above to be reckoned from midnight of the day on which the discharge overseas of the goods hereby insured from the overseas vessel is completed.
Held covered at a premium to be arranged in the event of transshipment, if any, other than as above and/or in the event of delay in excess of the above time limits arising from
circumstances beyond the control of the Assured.

NOTE—It is necessary for the Assured to give prompt notice to Underwriters when he becomes aware of an event for which he is "held covered" under this certificate or special
policy and the right to such cover is dependent on compliance with this obligation.

Including risks of craft to and from the vessel; each lighter, craft or conveyance to be considered as if separately insured. Also to cover any special or supplementary lighterage at
an additional premium if required. The assured is not to be prejudiced by any agreement exempting lightermen from liability.

The assured are not to be prejudiced by the presence of the negligence clause and/or latent defect clause in the bills of lading and/or charter party. The seaworthiness of the vessel
and/or craft as between the assured and assurers is hereby admitted, and the assurers agree that in the event unseaworthiness or a wrongful act or misconduct of shipowner, charterer,
their agents or servants, shall directly or indirectly, cause loss or damage to the cargo insured by sinking, stranding, fire, explosion, contact with seawater, or by any other cause of the
nature of any of the risks assumed in the policy, the assurers will (subject to the terms of average and other conditions of the policy) pay to an innocent assured the resulting loss.
With leave to sail with or without pilots, and to tow and assist vessels or craft in all situations and to be towed.

General Average, Salvage, and Special Charges, as per foreign custom, payable according to foreign statement, and/or per York-Antwerp Rules 1890 or 1924 and/or in accordance
with the contract of affreightment, if and as required.

Provided prompt notice be given the Assurers when such facts are known to the Assured and additional premium be paid if required, it is understood and agreed that in case of
short shipment in whole or in part by the vessel reported for insurance hereunder, or if the goods be transhipped by another vessel or vessels, or be carried beyond or discharged short
of destination, or in the event of deviation, or change of voyage, or any interruption or other variation of the voyage or risk beyond the control of the Assured, this insurance shall
nevertheless cover the goods until arrival at the final destination named in the declaration or certificate of insurance or until the subject matter insured is no longer at the risk of the
Assured, whichever may first occur. No additional risks (whether of delay or of any other description) are insured under this clause, which is intended merely to continue the insurance
in force against the same risks named elsewhere in this policy; and if the risks of War, Strikes, Riots or Civil Commotions, or any of these risks, are insured against, the insurance
against such risks shall not be extended by this clause to cover contrary to any express provision of such insurance.

Where goods are shipped under a bill of lading containing the so-called "Both to Blame Collision" Clause these assurers agree, as to all losses covered by this insurance, to
indemnify the assured for any amount (up to the amount insured) which the assured may be legally bound to pay to the shipowners under such clause. In the event that such liability
is asserted the assured agree to notify the assurers who shall have the right at their own cost and expense, to defend the assured against such claim.

The shipment described herein shall also be insured against strike and riot risks subject to the following terms and conditions.

S. R. & C. C. CLAUSES (Form No. 5A)

This insurance also covers damage, theft, pilferage, breakage or destruction of the property insured directly caused by strikers, locked-out workmen, or persons taking part in
labor disturbances or riots or civil commotions and destruction of or damage to the property directly caused by persons acting maliciously; but the foregoing shall not be construed
to include or cover any loss, damage or expense caused by or resulting from (a) delay, deterioration or loss of market, or (b) hostilities, warlike operations, civil war, revolution,
rebellion or insurrection, or civil strife arising therefrom.

While the property insured is at risk under the terms and conditions of this insurance within the United States, its incorporated territories and its possessions in the Western
Hemisphere, Canada and Newfoundland, this insurance is extended to cover damage, theft, pilferage, breakage or destruction of the property insured directly caused by
"Vandalism," "Sabotage" and "Malicious Mischief," and as so extended shall include such losses directly caused by acts committed by an agent of any government, party
or faction engaged in war, hostilities or other warlike operations, provided such agent is acting secretly and not in connection with any operation of military or naval
armed forces in the country where the described property is situated. Nothing in the foregoing shall be construed to include or cover any loss, damage or expense
caused by or resulting from (a) delay, deterioration or loss of market, or (b) hostilities, warlike operations, civil war, revolution, rebellion or insurrection, or civil strife arising
therefrom, excepting only the acts of certain agents expressly covered above.

Where the words "including War Risk" are typed in the space below at
the time the Certificate is issued, the War Risk Clauses on the back of the
Certificate shall attach.

ORIGINAL

C.P.R.
MAY 28 1942CONTINGENCY RISK

Full Interest Admitted

It being warranted that the within referred to vessel or cargo is insured against Marine perils and against War Risks, in an amount at least equal to the amount insured hereunder, it is the purpose of this insurance to secure to the insured prompt reimbursement of any loss payment due under the Marine or War Risk insurance in the event of loss or damage occurring on which doubt may exist as to whether the loss is due from Marine insurers or War Risk insurers.

In consideration of the premium paid, these insurers agree that in the event that the vessel or the cargo within referred to becomes missing or is lost or damaged by causes unknown, or from causes which cannot be promptly determined to the satisfaction of the Marine Insurers as being a Marine peril, or to the satisfaction of the War Risk insurers as being a War Risk peril and, as a consequence thereof, the assured is not able promptly to collect such loss under one or the other class of insurance, these insurers will, within thirty days from the submission of proofs by the assured, loan to the assured the amount of the loss (not exceeding the amount of this insurance), subject to the following conditions:

Such loan shall be made without interest or any collateral other than the assignment (if required) of the policies of the Marine and War Risk insurance and such loan shall be repaid only if, when, and to the extent of the net amount recovered from the insurers against Marine risks and/or War risks, provided, however, that should any part of the amount of the loan not be recovered because of the insolvency of one or more of such Marine or War Risk insurers, the insured hereunder shall repay such part of the loan.

In the event of legal or other proceedings becoming necessary to collect from the Marine insurers or the War Risk insurers, the assured agrees to render all necessary assistance in prosecuting the claim, but these insurers agree to pay the expenses and costs of such proceedings, as are not recoverable under marine and/or war risk policies.

This insurance having been placed in the London market is subject to the following Warranties:

Warranted free of any claims arising from capture, seizure, arrest, restraint, or detainment by the Government of the United Kingdom or any of its Allies.
Warranted that the cargo insured is not, at any time during the voyage, the property of any Government or of any person, firm, corporation (including those domiciled in neutral territory) which are alien enemies of the United Kingdom or any of its Allies.

IMPORTANT NOTICE

In some countries, to comply with the technical requirements of a C.I.F. Contract of Sale, cash against delivery of documents, the policies of insurance must be tendered with the other documents to the buyers. In such cases Policies should be secured as provided herein.

This insurance has been arranged with Companies &/or Underwriters not suable in the United States, and it is understood that claims are collectible only at the place where the policies are issued, at the expense of the assured.

MEMORANDUM

GOVERNMENT OF SURINAM

Mr. Saylor, The Chase National Bank, telephoned today regarding our draft for \$10,471.72 for payment under letter of credit and advised that the certificates of insurance should have the following words added on the line on which the steamer is named : "and/or other steamer or steamers". He also said that the binder covering war risk insurance by the War Shipping Administration should be endorsed in blank the same as the certificates of insurance.

Mr. Saylor remarked that The Chase Bank has accepted this binder in lieu of a war risk policy or certificate of insurance due to the fact that the bank is dealing with the American Bank Note Company and because it understands that a considerable delay may be expected in the receipt of the policy from Washington.

Dear Sir:-

We have noticed a news item in the paper this morning which indicates that His Excellency J. C. Kielstra, Governor of Surinam, is on his way to this country for a visit. It has been our pleasure, as you know, to have prepared during recent months valued orders of "Zilverbons" for His Excellency and the thought occurs to us that while he is here he might like to visit our Plant and see at first hand the many processes which enter into work of that nature.

Would you please be kind enough to inform us when and where we may communicate with His Excellency so that we may invite him for such a visit.

Thanking you in anticipation, we remain,

Yours very truly,

Manager Foreign Department.
